Mission Statement

The Missouri Travel Council (MTC) is the official private sector umbrella organization of the tourism industry in the state of Missouri. As a 501(c)6, non-profit association, its primary aim is to provide economic, social and educational benefits to its broadly based membership through professional development, public policy and cooperative state/regional marketing efforts. The Missouri Travel Council helps strengthen the development, promotion and sustainable growth of the Missouri tourism industry for both visitors and state residents.
